

FRANK LLOYD WRIGHT'S TALIESIN

Thursday, June 10

Among the most famous residences in the United States, **Taliesin** embodies Wright's energy, technique and creative vision. The house stands as the longest on-going project of Wright's career. Begun in 1911, **Taliesin** became Wright's work-in-progress during the 48 years, as he reworked and added to it, bringing it ever closer to his architectural ideal.

By passing through these magnificent spaces, filled with his furnishings and art collections, you will experience the intimacy and genius of one of America's greatest architects. In addition, you'll enjoy exterior views of some of Wright's other buildings as you are driven across the beautiful 600-acre estate.

Following our tour we will enjoy lunch at the Riverview Terrace Café at **Taliesin**. You'll have time to browse the gift shop and book store before our departure today.

Please note: Each tour is one hour with a significant amount of walking, standing, stair climbing, and walking on uneven terrain with no opportunity to leave the group if you wish to stay behind.
