

# WISCONSIN QUILT SHOP HOP

**Saturday, July 31**

Join us today as we visit Quilt Shops all located in our beautiful state of Wisconsin. Maybe you're looking for material to start a new quilt or maybe just some new ideas and inspiration for another project. You're bound to find it at one of the unique shops we'll visit today. Our day starts out at Saving Thyme in Stoughton. Saving Thyme features quilting and sewing with a little bit of Scandinavian thrown in for good measure.

After a tasty lunch at Culver's we are on our way to Stitcher's Crossing in Madison. Stitcher's Crossing was selected as one of the top 20 North American favorite quilt shops by American Patchwork Quilting magazine.

Our last stop today will be at Country Sampler in Spring Green, more than just a quilting store featuring cross stitch, worn and loved fabrics, primitive folk art and reproduction home furnishings.
