

BAYFIELD APPLE FESTIVAL

Bayfield, Wisconsin

Saturday, October 2

“The best little town in the Midwest” is having their annual Apple Festival. With over 200 arts, crafts, and food vendors there is sure to be something of interest for everyone.

Mansions of locally quarried brownstone grace the side streets of Bayfield, once the main shipping point for the popular building material. The town now relies on commercial fishing and the annual throng of summer vacationers. Hopefully this year it is during the peak of the fall colors when orchard growers, artists, musicians and carnival rides fill the streets of historic downtown Bayfield. Even without the fall colors, Bayfield is the place to be during their Apple Festival. It is a special treat to experience the hospitality of Bayfield at its best.

Taste the apple pie, apple jam, apple butter, apple sundaes, apple bratwurst, apple chili and apple dumplings. Perhaps you can start your Christmas shopping at the Arts and Crafts fair. For whatever reason you travel to Bayfield, make sure you take some time to stop and enjoy the beauty of Lake Superior.
