

FLAVORED BY WISCONSIN

Saturday, October 9

Today will be a day you will always remember. Bring along your girlfriends or significant other for a fun filled day. As we travel through western Wisconsin today you will find out that you don't have to go far away to sample great wines. It's all right here and flavored by Wisconsin.

Our first stop today will be at Maiden Rock Winery, an award-winning cider orchard presenting a unique collection of premium hard ciders and wines produced fresh from local fruit. Included today is a wagon tour of the orchard, where you'll learn all about the apples used to make their delicious cider and wine. You will have time to sample their cider and apple wines, pick some apples, pumpkins or squash.

Lunch today will be on your own at Bogus Creek Café in Stockholm.

Our next stop is River Bend Vineyard in the heart of the Chippewa Valley. River Bend specializes in growing and producing wines from cold-hardy grapes and produces wines across the full spectrum of tastes, from dry to sweet, refreshing to full-bodied.

Next on the list is Autumn Harvest Winery nestled in the heart of apple orchard country, at the John McIlquham Orchard. Autumn Harvest Winery produces fruit wines and grape wine blends. Enjoy wine tasting, sample gourmet foods, indulge in farm-fresh apples harvested from their orchard or enjoy a glass of wine on their patio.

Just when you thought we were finished for the day... one more winery beckons us to visit before continuing on home. The Munson Bridge Winery in Withee is almost in our backyard... but how many of us can say we've actually been there. The Winery is located on the former Munson Farm and offers a unique perspective on wine tasting. The elderberries are harvested wild, along with the plums. Local fruit is used whenever possible and the fruit blends vary from dry to sweet, light to robust. Along with the delicious wine we'll enjoy a tasty snack of cheese, sausage and crackers to tide us over until we arrive home.

What a way to have fun. Don't worry about tasting too many samples of wine, we'll do the driving!
