

# HOUSE ON THE ROCK

Spring Green, Wisconsin

Saturday, April 17

As glacial seas receded, they left a towering spindle of rock... then came a man filled with grand dreams and soaring visions. When Alex Jordan first climbed that rocky pinnacle, his imagination took flight. The result is the attraction known worldwide as the House on the Rock – a one-of-a-kind adventure and treasure trove of some of the world’s most unique architecture and eclectic collections filled with the exotic, the whimsical and the unexpected. Among the most distinct and unforgettable features, the cantilevered Infinity Room, extends 218 feet into space, 156 feet above the valley floor - you’ll feel like you’re walking in the clouds.

Each vision leads to another. Alex used to explain his sprawling creation of collections, displays and galleries by saying that “one thing just sort of led to another.” Your self-guided tour will invite you to explore dozens of unduplicated marvels, each a testament to Jordan’s ingenuity and tireless energy. You’ll see a giant fireplace, expansive yet cozy, and a boat-swallowing 200-foot sea creature. Aglow in a whirl of brilliance, the world’s largest Carousel displays its 20,000 lights and 269 handcrafted animals - not one of them a horse! More than 200 fully-furnished doll houses will amaze and delight you. Experience room-rumbling performances by automated music machines including the awe-inspiring Mikado. Stroll the red-bricked Streets of Yesterday, and peek into the shops and homes of a century past. Admire lovely ivory carvings, suits of armor and sparkling crown jewels.
